Pre-Owned ( Used ) Endoscopes, ( Used ) Light Sources / Processors, Endoscopy Equipment are NOT IN NEW CONDITION, they are USED! They may have cosmetic defects, Dings, Dents, Plastic or Paint blemishes and may or may not contain Original Equipment Manufacturer ( O.E.M. ) repairs and repair parts. Do not purchase if you require New O.E.M Equipment with all O.E.M parts. The F.D.A. requires all medical equipment sold in the U.S.A. to have O.E.M. Parts. After Purchase for use in the U.S.A., send your equipment into the Manufacturer to be registered and for inspection of your equipment purchase. Have any parts which are non - O.E.M. replaced by the manufacturer for use in the U.S.A.. **\*1 Year Limited Warranty on Scopes Only, for complete warranty see our warranty page.**, if not satisfied return in 5 days for refund,( less shipping charges and any damaged observed upon receipt by our discretion). Please call or e-mail reference number when inquiring or ordering, payment made by Credit Card, Wire Transfer or COD CASH ONLY! Any equipment returned after 5 business days ( 10 days International ), is subject to a %25 restocking fee! For Full Warranty [Click Here!](#)

\*\*CE Marking is the symbol  as shown . The letters "CE" are the abbreviation of French phrase "Conformité Européene" which literaturly means "European Conformity". The term initially used was "EC Mark" and it was officially replaced by "CE Marking" in the Directive 93/68/EEC in 1993. "CE Marking" is now used in all EU official documents. "CE Mark" is also in use, but it is NOT the official term.

**\* NTSC ONLY NOT FOR PAL SYSTEM**
